Dear Sir Madam:

I want to thank you for the Scholarship that I've been granted. I really appreciated it, for me this been more than what the money means. When I took the decision of returning to school I knew it was not going to be easy; so, knowing that my effort and work are been recognize motivates me more to keep on and rich get my degree.

Getting this degree, not only will make me grow in my education and obtain more stability on a job; but, will fulfill one of those dreams that because of different circumstances wasn't realized years ago; however, I believe that never is too late, that's why I'm here at PBCC.

Thanks again, I'm willing to meet you in April.

Sincerely;
